

## PSHE Curriculum Overview - Year 3

	Unit	Details
Autumn One	Health and Wellbeing	This topic will begin with how pupils can contribute to school life, including the need for rules and why we have them in school.
Autumn Two		Alongside keeping healthy, pupils will learn about different risks in the world, including road safety, and will discuss ways to manage risks responsibly and build resilience.
Spring One	Relationships	Pupils will continue their work around the concept of feelings, including the topics of healthy and unhealthy relationships.
Spring Two		Pupils will discuss the actions and choices they make and the potential impact this can have on other people.
Summer One	Living in the Wider World	Pupils will regularly discuss age appropriate new articles that are currently in circulation and will also have an opportunity to discuss topical issues with staff and peers.
Summer Two		This topic will also include conversations around universal and human rights. Pupils will learn what these are and why these are important.
